

Busy Day at LHBC on Saturday, April 20, 2024

Saturday, April 20th, will be a busy day at Lorain Harbor Boat Club. Find out more here:

9am to 4pm – It's spring cleaning time at LHBC. Time to “wake-up” the club and get the clubhouse, bar and basin ready for another season of fun in Lorain, Ohio. A wide variety of tasks will be available so there will be something to do regardless of your skill level. Please bring basic tools and a power-washer if you own one to help.

9:30am-11:30am – AED/CPR Class in the clubhouse. The club now has its own AED device. It will be hung in the clubhouse restroom hallway. Come learn how to use the device and also refresh your CPR skills. The morning and afternoon classes are repeats – pick the one that best suits your schedule and spend the other two hours helping with spring cleaning tasks.

12pm/Noon – A free lunch will be offered to those attending spring cleaning and/or AED/CPR class

12:30pm-2:30pm – AED/CPR Class in the clubhouse. The club now has its own AED device. It will be hung in the clubhouse restroom hallway. Come learn how to use the device and also refresh your CPR skills. The morning and afternoon classes are repeats – pick the one that best suits your schedule and spend the other two hours helping with spring cleaning tasks.

4pm – Racers Planning Meeting in the clubhouse. We will be holding a planning meeting for this year's club races. This meeting is to introduce the return of weekly Wednesday evening racing at LHBC and also the two or three one-off races planned for this summer including the annual Mast and Gibbs races. We will be discussing starting Wednesday races, how the Wednesday races should be grouped (one or multiple series?) and soliciting your thoughts on the club racing program and schedule.

We will also be discussing when to hold a one day “Racers Clinic” sometime in May.

Assuming we get enough interest, racing marks will be deployed in later May. Wednesday evening races will start May 29th!

See you on Saturday April 20th!
